## Helpful Parking Hints

### Q: Where can I find accessible parking?

**A:** There are many accessible parking stalls within 200 metres of the Centre: nine on King St. between Barrack and Queen Street, four on Barrack St. between King and Wellington Streets will be designated for persons holding a valid disability permit (permit-holder must be present) during events. Fourteen accessible parking spaces are available in the Frontenac Lot across from the K-Rock Centre at King and Barrack Streets. Daytime and event rates apply to accessible parking spaces in event designated lots – except for the accessible spaces in the Frontenac Lot which cost \$3 at the meter.

Many more accessible parking spaces are located in lots within 600 metres of the Centre.

### Q: Where can I drop people off?

**A:** There is designated area to drop people off on the south side of Barrack Street between Ontario and King Streets. As a courtesy to people with disabilities and seniors who need to use the drop-off area, able-bodied event-goers should plan to be dropped off and picked up close to the Centre rather than right at the lobby doors.

### Q: What do I do if I arrive before event rates are in effect?

**A:** You can arrive early for an Evening event and pay for your day rate and event rate at the same time. Early payment for an evening event can be made any-time after 2:30 p.m. Some lots allow for earlier purchase, depending on the maximum time in the lot. Please refer to signage in each lot for details. Early payment for a Sunday event can be made any-time that day.

### If you don't want to Park, then Ride with Kingston Transit

## DAYTIME DRAWS

(9am, 12:30pm, 4pm Thurs. & Fri; 9:30am, 2pm Sat.)

- On street parking is available but the maximum length of stay at meters varies between 2 and 3 hours. As curling draws typically take 2 hours, this may not be the best option for event goers.
- The best surface parking lots for daytime and daytime/evening combo draw attendees are: Front directly across from the K-ROCK Centre Drury Lot (Queen Street between Wellington & King) and Springer Memorial Lot (Queen Street between Montreal & Bagot). These lots both offer up to 24 hour parking – so you don't have to worry about purchasing more parking time between draws or leaving the event early before your time runs out. Rates are \$1 per hour and have a day-time cap at \$5 (Drury) or \$8 (Springer)
- If you are attending both daytime and evening draws, you can pay for both your daytime parking hours and event rate fees all at once, by pressing the "Maximum Time" button twice. Directions on how to make a double purchase are clearly marked on all Pay & Display machines.

## EVENING DRAWS

(7:30pm Wednesday, Thursday, Friday; 7pm Saturday)

- On street parking is free after 5:30pm but spaces are popular, so don't be surprised if they are taken.
- There are a variety of surface parking lots available within a short walk of the K-Rock Centre. Event parking fees come into effect starting at 6:30pm with rates varying from \$3 - \$5, depending upon lot location.
- If you want to park in a lot, but are planning to arrive before the event rates are in effect, you can purchase a combination of regular/event parking any-time after 2:30pm, by pressing the "Maximum Time" button twice. Directions on how to make a double purchase are clearly marked on all Pay & Display machines. Some lots allow for earlier purchase

## WEEKEND CHAMPIONSHIP DRAWS

(7pm Saturday; 1pm Sunday)

- On street parking is free on Saturday after 5:30pm and all day Sunday.
- Event parking rates are in effect Saturday evening and Sunday afternoon.

Welcome curling fans – we hope you enjoy the BDO Capital One Grand Slam of Curling!
